An insider's guide to the best luxury hotels in Phuket, featuring the top places to stay for sumptuous private villas, stunning infinity pools, tranquil spas and incredible views, in locations including Phang Nga Bay, Ko Yao Noi and Kata Beach.

### Kata Rocks

Kata Beach, Phuket, Thailand

**8/10** Telegraph expert rating

Squared-off terraces clinging onto the cliff-side for dear life give this boutique hotel a dangerously modern vibe. The only real public area is the bar, restaurant and pool, a minimalist cube with lots of white-on-white action – white umbrellas shading white sunbeds beside a white-tiled pool – all very Ibiza-esque. The furnishings are sleek and Italian-made but there is no mistaking that you're in Thailand with that attention-grabbing Andaman Sea view. Elsewhere, the Infinite Luxury Spa lives up to its name with eight treatment rooms housing everything from zany energy pods to light-emitting treatment beds, which combine beautifully with Ila products and traditional Thai wellness philosophies.
