Élysée Collective has been appointed as the Australian and New Zealand public relations agency for the multi-award-winning [Kata Rocks](#), with the Phuket resort and residence joining the agency's collective of luxury international travel destinations.

As the flagship resort of privately owned luxury residence and hospitality real estate group, Infinite Luxury, Kata Rocks is design-driven with sleek, superyacht-inspired interiors, offering unobstructed ocean views, creating the illusion of being adrift on the Andaman Sea.

Minimalist, modern and spacious, with villas ranging from 165 to 485 square metres, Kata Rocks presents a design experience that is entirely new and unique in Thailand.

Located on the oceanfront at the southern end of Kata Beach, hailed as the most prestigious yachting destination in Thailand, Kata Rocks is also home to the annual invitation-only Kata Rocks Superyacht Rendezvous, regarded by leading industry players as the definitive superyacht event in Asia.

Comprising 34 one- to four-bedroom Sky Pool Villas, each light-filled space offers its own infinity pool, living and dining, and bedrooms and bathrooms styled with Italian furniture and technologically savvy features throughout.

The facilities at the resort include dining options such as an in-villa private chef barbecue, Thai culinary cooking classes and destination 'Dining on the Rocks'; a wine cellar; a poolside restaurant and bar; a fitness suite offering private training and yoga; and a kids' club. The resort is also home to The Infinite Luxury Spa, which boasts technologically advanced and personalised treatments such as the energy pod and Chromo Therapy, combined with the ancient wisdom of Thai healing.

Kata Rocks has received more than 40 international property, travel, design and hospitality awards since its opening in 2014.

Located on the Thai island of Phuket, the five-star luxury resort is located 55 minutes by car from Phuket International airport, a 25-minute drive from Phuket Town and a short walk from the town of Kata.
