KATA ROCKS SUPERYACHT RENDEZVOUS

BY INFINITE LUXURY

Asia's top superyacht event

Kata Rocks is a design driven, luxury resort and residence, located directly on the ocean front at the southern end of the famous Kata Beach, along Phuket's sunset west coast. LuxeGetaways was pleased to collaborate with Kata Rocks Superyacht Rendezvous (KRSR) as a media partner. The event is now being hailed as Asia's top superyacht event – placing Phuket firmly on the global yachting map. This monumental event raised Phuket to a new level, joining Monaco, St Tropez, Cannes and the Caribbean as one of the most preeminent superyacht destinations in the world superyacht destinations. With more than 15 world-class superyachts assembled for this exclusive rendezvous, the KRSR offered a series of bespoke activities, glamorous parties and social events that effortlessly mixed networking and socializing in a relaxed and luxurious environment. The KRSR closing

celebration was billed as the charter season opening event. It exceeded all expectations with many calling it Phuket's 'party of the year!' The 2017 Kata Rocks Superyacht Rendezvous will be held this December.

"We are confident that the KRSR will become an important fixture in the international yachting calendar," said Richard Lambert, Managing Director Asia Burgess.

"The organizers of the Kata Rocks Superyacht Rendezvous have exceeded all of our expectations," said Mr. Bas Nederpelt, Commercial Director Feadship.

"Feedback has been extremely positive, and it's gratifying to help elevate Phuket to elite status as a true luxury destination and superyacht playground," said Mr. Richard Pope, Kata Rocks' & Infinite Luxury Chief Executive.
