With idyllic views of the Andaman Sea, Kata Rocks is spectacularly located on the sands of Kata Beach at Phuket, and features innovative gourmet dining and one of the most famous resort spas in Asia.

坐拥安达曼海的宜人风光，卡塔岩石酒店坐落于普吉的卡塔海湾。岩石酒店提供创新美食及闻名亚洲的温泉水疗。

At Kata Rocks, the 34 beautifully appointed pool villas range from 134 to 460 sqm, each boasting uninterrupted ocean views and a large terrace with a private pool. The interior design of the rooms incorporates contemporary modern elements and stylish Italian-inspired touches.

Outside of their fabulous living spaces, Kata Rock provides excellent meeting facilities for business delegates. Perfect for small conferences or private events for up to 80 guests, this Phuket luxury resort offers versatile indoor and outdoor event space where the exotic fuses with nature.

Meeting venues at Kata Rocks are equipped to support the most demanding events and meetings requirements, with hi-tech lighting, ultramodern audio-visual equipment: such as LCD projectors, laser pointers, high speed Wi-Fi internet access, and microphones.

Upon request, Kata Rocks' in-house photographers can offer event photography and

video services. Moreover, their team can provide a list of recommended vendors for all meeting needs, including flower arrangements, music and more.

The resort also provides a wide range of activities that are tailored to keep event participants engaged and entertained. On-site activities include Thai cooking or yoga classes; while offsite excursions range from guided Phuket Island tours, golf and exciting sea adventures, such as snorkeling or sailing.

For utmost relaxation, the Infinite Luxury Spa provides a personalised and highly distinctive experience. Kata Rocks' highly trained therapists will conduct a private assessment with each guest to help them personalize a treatment or program where guests can relinquish, rejuvenate, recover, cleanse or be pampered. Much more than a spa massage, the award winning luxury spa is a life-changing experience.
