## KATA ROCKS – LUXURY OASIS IN PHUKET

written by Slamchica | April 14, 2017

On the Thai island of Phuket, the abundance of luxury hotels and resorts for their uniqueness stands a magical oasis on the rocks – **Kata Rocks**, from which stretches an amazing view of the Andaman sea and Kata beach.

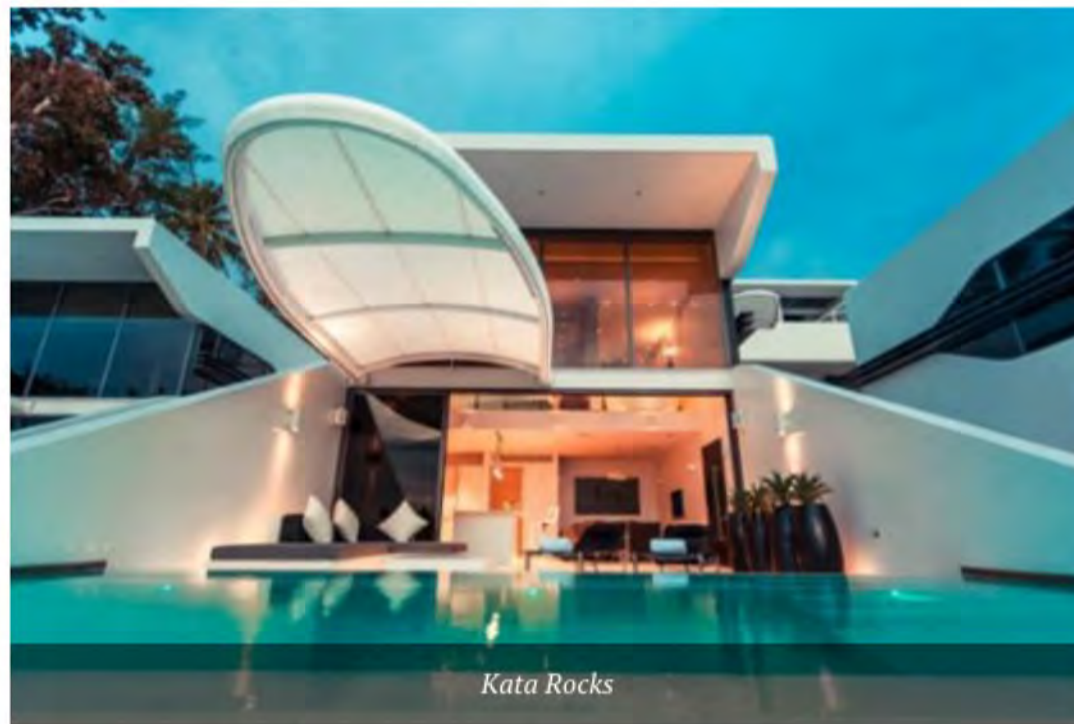

Luxury that pushes the boundaries in every sense, the services that will pamper you in every thought, great design that provides comfort, privacy and indescribable view ... just in Kata Rocks you get the feeling that you have the world at your feet!

Kata Rocks

Immerse yourself in a restaurant with ocean views, wine cellar, Lounge and bar, infinity pool length of 35 meters, the award-winning Infinite Luxury Spa center, superb gym and fitness suite, a room for events, Thai cooking classes and adventures on yachts and ships.

Kata Rocks is remarkable due to its unusual design, because it resembles the modern yacht, which cascading down to the sea and “breathe” with lush tropical vegetation that surrounds them. Each “yacht” is built of concrete and stainless steel with large windows and a private pool.

The first thought when you step into one of these luxury villas is: “I don’t want to leave this place!” That feeling “at first” is so engulfing that you really can not go home, even if you’ve just arrived. Don’t give up on this idea, because in Kata Rocks there’s the possibility to hold one of them. If you decide to purchase, management Kata Rocks will take care of your own private oasis. When you stay in your villa, you will enjoy the luxury of one of the best hotels in the world, and when you are away, your house will make money from renting. In addition to a whopping 6% return on investment per year, which guarantees Kata Rocks, you become a member of the prestigious club of lovers of luxury – Luxury Infiniti.

Kata Rocks

There are four types of Sky Villa within the resort – ranging from one bedroom to penthouses with four bedrooms, and all have stunning views of the Andaman Sea and all of them have their own private pools. Kata Rocks contains a total of 34 villas and all are designed with beautiful terraces facing the ocean, in order to erase the boundary between the closed space and open area.

I hope you will have the opportunity to enjoy the beauty of this magical place ...
