THE MOST INSTAGENIC HOTEL IN THE WORLD

The place to be seen with the most impressive, Instagenic selfie backdrops, Kata Rocks is the latest hotspot where the rich kids of Instagram go on holiday. This exclusive club of the most privileged, elite members will jet off this winter to discover the best beaches, the most beautiful blue seas and the level of luxury that is savoured and hash tagged at Kata Rocks.

A sheer architectural accomplishment, Kata Rocks personifies this distinctive affluent trend with no expense spared on the most ambitious and photogenic, multi-million pound project by renowned British owner Richard Pope. With rooms designed to mimic all the trimmings and views on a super yacht, this is world class extravagance that even Roman Abramovich would be impressed by.

Sleek and chic, offering a minimalist vibe with contemporary apartment sized suites, Kata Rocks is unlike anything else on the island. Right on the oceanfront on the headland between Kata and Kata Noi Beaches, every Sky Villa at Kata Rocks has a totally uninterrupted sea view and all have their own private pools. It is chic-ness personified. The furnishings are sleek and Italian-made, a lot of white-on white; think white linens, white umbrellas shading and white sun beds beside a white-tiled pool - it feels like the best of Miami found in the Far East.

Kata Rocks' spa is incredible with eight treatment rooms housing everything from metro nap energy pods to light-emitting treatment beds and chromotherapy which combine beautifully with traditional Thai wellness philosophies, bringing the best of West and East together seamlessly. There are 34 one, two, three and four-bedroom sky villas stacked across the hillside - big, bright and beautiful, they come with fully-fitted kitchens, living and dining areas, and floor-to-ceiling sliding glass doors opening onto private infinity pools, each of which is a minimum of seven-metres long. They have private chefs who will prepare fine dining for you in the privacy of your villa, celebrity DJ's playing over brunch and TV's that come down from the ceiling over the bed. Not to mention a killer view from the bathtub. Their 'Rock Stars' are concierges whose job it is to make sure that each and every need is met at all times.
