

## Take a plunge: six of the best infinity pools around the world

By MiNDFOOD | [DECEMBER 6, 2018](#)

---

*If you're partial to a blue backdrop and cinematic views of sky and sea then we've found six of the best infinity pools from around the world.*

By Carla Grossetti

### **Kata Rocks**

The infinity pool at Kata Rocks in Phuket is super swanky. Here, you can take a refreshing dip with unobstructed ocean views at the southern end of Kata Beach. The pool blends in seamlessly with the design-driven hotel and creates the illusion of being adrift on the Andaman Sea. This seriously upscale five-star luxury resort is a top spot to flop and drop.
