(Hong Kong – 16 June, 2016) – Phuket's fashionable 5-star designer retreat Kata Rocks has unveiled a sleek new website <https://www.katarocks.com> underlining its renown as the Thai holiday island's premier luxury boutique resort.

The innovative portal incorporates engaging, experiential content including entertaining videos, insider Phuket tips and guides plus latest promotions, events and packages available for direct booking. Kata Rock's new website also features a [blog platform](#) where content is posted about Phuket and the resort is regularly updated. For the first time, the innovative portal will be available on mobile/ tablet, making it easily accessible for people on the go.

Striking, vibrant images illustrate the world-class hideaway's chic, exclusive vibe – on a headland overlooking Kata Beach and the Andaman Sea, just a short stroll from boutiques, bars and restaurants in Kata village.

The online experience introduces the award-winning resort's fashionable oceanfront dining experiences, one of the most cutting-edge fitness facilities in Thailand, award-winning Infinite Luxury Spa and exclusive Sky Villas stacked across the hillside that elevate privacy to new heights – complete with private infinity pools and fully-fitted kitchens.

"The new website reflects our seductive blend of style, serenity, signature Thai hospitality and island comfort that makes Kata Rocks the best luxury resort in Phuket," said newly-appointed Marketing Director Michael Nurbatlian, who led the in-house design project.

With eye-catching wraparound glass and metal creating a "nautical, space-age look" Kata Rocks has won international acclaim for pushing the boundaries of design, luxury and post-modernist style.
