## THE GODFATHER OF CHILL-OUT BRINGS THE BEST OF IBIZA TO PHUKET TO CELEBRATE KATA ROCKS SECOND ANNIVERSARY

Free flow champagne and cocktails, the chill out house mix of José Padilla and a stunning superyacht inspired back drop – it can only be Phuket’s chicest brunch party at Kata Rocks. To celebrate the resort’s second anniversary, DJ legend José Padilla will be showcasing his dedicated Kata Rocks album at Thailand’s coolest boutique resort.

Hailing from the famed Café del Mar in Ibiza, José Padilla will be hosting the party to be seen and snapped at Kata Rocks on 26th November 2016. The perfect excuse to return to the decks, José also headlined Kata Rocks’ hugely successful launch party two years ago. Recognised worldwide as The Godfather of Chill-Out, José has sold over 6 million copies of the game-changing Café del Mar series, released two independent albums and remixed countless tracks.

Encompassing a chilled beach club vibe, the ticketed event at Kata Rocks will start from noon until sunset. Guests at the party will experience first-hand, the legendary musician’s tunes including Maybe the Sunset and In Another Room from the exclusive Kata Rocks album, with a gourmet buffet brunch and free flowing cocktails and champagne throughout the day.

DJ Jose Padilla commented: “It’s a pleasure to have compiled a dedicated Kata Rocks CD for a unique and iconic venue. It is also great to be part of the second anniversary celebrations – see you on 26 November.”

A sheer architectural accomplishment, Kata Rocks personifies this distinctive affluent trend with no expense spared on the most ambitious and photogenic, multi-million pound project by renowned British owner Richard Pope. With villas designed to mimic all the trimmings and views on a superyacht, this is world class extravagance that even Roman Abramovich would be impressed by.
