ULTIMATE LAZY LATE CHECK-OUTS EXTENDING TO COMPLIMENTARY NIGHTS WITH ROCK STAR SERVICE AT ICONIC PHUKET RESORT 'KATA ROCKS'

(Hong Kong, 13 April 2016) Phuket's fashionable 5-star designer retreat Kata Rocks has launched an 'Ultimate Late Check-Out' package allowing guests not only extra-long check-out times but also the chance of complimentary extended overnight stays.

On the day of their departure, guests merely need to request late check-out between 8-10am. Then, depending on availability, the Kata Rocks team will organise either a later check-out time of one, two or three hours or the ultimate bonus of an extra night stay if the villa has not been pre-booked by another guest.

The offer is open for guests making direct reservations for at least two nights from 1 to 31 May 2016 either by email (reservations@katarocks.com) or through www.katarocks.com

Kata Rocks General Manager Scot Toon explained: "We are offering much more than the standard late check-out than other luxury resorts.

"Guests could possibly get a complimentary night or more. It could go on and on by applying every morning and receiving another extended late check-out on a day by day basis' he adds.

Further enhancing the 'Ultimate Late Check-Out' is Kata Rock's 'Rock Star Service', where staff go beyond any conventional level of service that one might expect from any other luxury resort and instead heighten the very definition of customer care.

Upon arrival guests are given bespoke consultations to ensure an all-encompassing level of service, so that every stay will be one remembered for a lifetime. In keeping with the name, Kata Rocks' ambition is to 'rock their guests' worlds'; their 'Rock Stars' will do anything and everything required to bring the extraordinary to life.

Kata Rocks, which just celebrated its one year anniversary in November, is one of Phuket's most fashionable boutique resorts, featuring a sleek, luxury vibe on a headland overlooking Kata Beach and the Andaman Sea, just a short stroll from boutiques, bars and restaurants in Kata village.

With eye-catching wraparound glass and metal creating a "nautical, space-age look" it is attracting international acclaim for pushing the boundaries of design, luxury and post-modernist style.

Exclusive one, two, three and four-bedroom Sky Villas stacked across the hillside elevate privacy to new heights – complete with private infinity pools, fully-fitted kitchens, and living and dining areas.
